EDITOR'S NOTEBOOK

Dear Archie Readers,

Have you ever imagined yourself as a superstar? If you have, you're certainly not alone. Superstar wannabees have been known to set up camp outside the doors of TV studios just to have a chance to show off their talent. You can go from a virtual unknown one day, to the hottest star in the galaxy the next. Archie and his friends are no exception when it comes to dreaming of stardom. When auditions for "Intergalactic Superstar" come to Riverdale, The Archies, Frankie Valdez and Brigitte are ready to sing their hearts out with hopes of getting their "big break." However, only a few finalists will make it to the show. Who will go home singing the victory song and who will go home singing the blues? Don't miss ARCHIE & FRIENDS #68, on sale next month.

If you don't want to travel the Intergalactic route, you might want to check out a more down to earth and exciting talent search. Archie Comics' Riverdale Stars talent search! You could be a WINNER! Look for details in upcoming Archie titles, including this one.

Speaking of winners, Archie's Angels are back by popular demand, in BETTY & VERONICA SPECTACULAR #59.

And we thought up a catchy title for this story, it's called, "ARCHIE'S ANGELS RETURN." In this new adventure, the "Angels" need to recruit a new third Angel, as Brigitte Reilly is not available. Their assignment is to rescue world renowned scientist, Dilton Doiley Esquire III. Who could have kidnaped this famous scientist, and why? Archie's Angels are sent jet-setting across the globe, tackling megalomaniacal madmen and indestructible robots. Will the Angels earn their wings, or will they end up doing cream cheese commercials? - And who will be the new third Angel? The answers to these questions, and much more, will be waiting for you at your nearest newsstand or comic book shop.

Now, on to a more serious subject, "bullying." Mr. Lodge takes away Veronica's credit cards. Feeling sorry for herself, she falls in with a group of "bullies" at school. It isn't long before Veronica realizes that she's becoming a bully, too. Will she find her way back to her true friends? Don't miss "UnBULLYable" in BETTY & VERONICA #185. On sale next month.
